

## **Concealed Carry Handgun Course of Fire**

The following is handgun proficiency test designed to show proficiency in **MARKSMANSHIP** and **SAFE HANDLING** of your handgun. The proficiency test is comprised of a total of 45 rounds fired at a silhouette target from distances of 3, 5 and 7 yards. The shooter must place 80% (36 out of 45) of the shots in the scoring area of the target in order to qualify.
